In accordance with the FOIA, I am enclosing the following related documents:

- Long Island Railroad’s Proposed Alternative Schedule for Advanced Civil Speed Enforcement System II on the Harold Interlocking - October 6, 2017
- Long Island Railroad’s Revised Proposed Alternative Schedule for Advanced Civil Speed Enforcement System II on the Harold Interlocking – December 22, 2017
- FRA Response to Long Island Railroad’s Proposed Alternative Schedule for Advanced Civil Speed Enforcement System II on the Harold Interlocking (Docket Number FRA-2010-0031, also publicly available at: <https://www.regulations.gov/document?D=FRA-2010-0031-0031>)

No fee has been assessed for the documents in light of the minimal cost incurred in providing you with these documents.

If you have any questions regarding your FOIA request, you may contact me at FRAFOIA@dot.gov. You may also contact FRA's FOIA Public Liaison, Timothy Barkley, Director of the Office of Public Engagement, at (202) 493-1305 for any further assistance and to discuss any aspect of your request.

Since FRA has no additional records in its possession that are responsive to your request, I am closing your file in this office.

Sincerely,
